Cat's Pride

— J. HINSDALE

— **PRIDE:** Pleasure or satisfaction taken in one's work achievements or possessions.

The Wildcats is the symbol of Pride and Dignity at "GCHS." During the 1982-'83 school year, pride was shown by everyone through participation in sports, special events, and club and classroom activities. "Cat's Pride '83" focuses on the good as well as the unhappy times, of which we are so proud.

At top: Craig Locke, vice-president, holds everyone's attention, during a F.F.A. meeting.
Lower left: Todd Hamilton and James Beers get down to the beat at the Homecoming dance.

Mr. and Miss G.C.H.S.

The G.C.H.S. student body showed pride in their school by electing seniors **Emma Brinkman** and **David Nichols** as Mr. and Miss G.C.H.S.

The classes of G.C.H.S. are very proud of the times they have shared. Seventh graders through Seniors all share exciting moments while preparing for the future. The "Cat" is a symbol of our pride and determination that is being shown everyday at G.C.H.S.

What can one say about Seniors? They're dependable, and striving to be number "1". Those long four years of high school seemed to fly by a little too soon; but they are never to be forgotten by those who grew, enjoyed, and experienced their Senior year

Over the years, the class didn't depend upon a chosen group of officers for leadership, they relied upon each other, with committee heads for everything from their 8th grade trip to Clifty Falls to Graduation. Best of all they always made things work. Gallatin will never again have a class like the "class of 83."

Maria Roos is GCHS' Frist Foreign Student.

Maria comes to us from Kalmar, Sweden. She is currently a senior at GCHS, but when she returns to Sweden she will again be a Junior because this year does not count for a credit for her. Maria says that school in Sweden is harder and a lot different than school here. She says, "There is nothing like homecoming or Prom, and that you could wear any type of clothing to school."

Some of the things Maria says she likes better here than in Sweden are, radio and television stations. "In Sweden there are only three radio stations and two television. Maria admits that she does have an occasional attack of homesickness, but that doesn't last long. Although she feels that it is very easy to get along with Americans, and she has made many new friends here, she is looking forward to returning in June to Sweden.

Who are the Cats? We are, Whether we are seventh graders, experiencing junior high life for the first time, or seniors, anxiously awaiting graduation, — we are all Cats.

Even though we are a small school and lack many of the "Frills" of larger school systems, we should be proud of our achievements and, yes, even our failures. During this year we have all grown and matured. We have accomplished much: financed a new mascot suit, produced school broadcasts over KET, obtained new computers, achieved group and individual awards on history projects and in FFA Regional Competitions, and more.

Each and every one of us is proud of these achievements and has matured because of our experiences and eagerly await for tomorrow.

Who are the Cats? We are! — and we're proud to be called — Cats.

Through determination, pride, and hard work; students and faculty both have joined together in making the G.C.H.S. Cats what we are. We, the students and faculty have all helped to form the Cats, whether by participation in sports, club and classroom activities, Homecoming and the Prom, or through the help and encouragement of the faculty and administration. Most of all — we make us what we are. Through our participation in school activities and our interaction with each other, we enable ourselves to grow and mature throughout the year. Because of these opportunities we can say with pride that "We are the Cat's"!

Personality

L. Vaughn

One of the many aspects in the growth of any individual is the development of one's Personality. At G.C.H.S. the various club and organizations worked to develop the personality of each of its members. Through these organizations, students were able to become involved in extra-curricular activities and to show their pride in G.C.H.S.

Beta Club Honors New Members

[illegible]

Each year the Beta Club accepts high achieving students who have maintained a "B" average or above during their high school careers and encourages those students to maintain their high achievements. This year the Beta Club welcomed thirteen new members. The number of honor students at GCHS is at an ever increasing number. In 1983 the Beta Club sponsored a Teacher Appreciation Day in which all the teachers were presented with flowers. Beta graduates are honored at Graduation with a black and gold cord symbolic of their class standing and of their high achievements in school. GCHS wishes to congratulate these honor students

This year 7th and 8th grade students with an average of no less than a "B" were invited to join the Junior Beta Club.

Thirty-five members were initiated at the October meeting and all members were given the honorary Junior Beta Pin. Junior Beta participated in various activities. They talked to the 6th grade Honor Club to orientate them to Jr. High Life. They also went to District Court on May 12th to learn the correct format of Parliamentary Procedure. To celebrate at the end of the year, Jr. Beta members were treated to a trip to King's Island by sponsor Mrs. Mylor.

Again the Canadian C FFA has proven to be a very successful organization. The Chapter received a Gold Rating on the State level and hopes to do so again this year. In mid March the Chapter entered numerous contests at the Regional FFA Day at the University of Ky. FFA members received the most superior ratings that day than ever before. All of the members in the Chapter took part in various activities and received a great deal of experience and leadership.

The Gallatin County FHA Chapter has had a full schedule of events in 1982-83. The most rewarding achievement was having seven members receive a State Degree at the three-day FHA meeting held in Louisville. Parents and club members enjoyed the annual banquet in May. For community service projects, each member was to "Adopt a Grandparent" and collect for the Arthritis Fund. Other projects included a Christmas party for the disadvantaged, served Career Day guests, participated in several money making activities, and attended the Regional meeting held at Bellevue High in Northern Ky. We would like to congratulate the seven girls on their State Degrees.

Yearbook Expresses Pride in G.C. Cat's

This year's yearbook staff consisted of nine members. Each day the staff met sixth period to work on designing the book. Members of the staff this year put a lot of themselves into this book in order to make this one of the best yearbooks that G.C.H.S. has ever had. There were a few improvements made in the book this year, including the increasing of the book by sixteen pages and the designing of a new cover featuring an embossed Wildcat. The staff this year worked hard selling ads and working concession stands to cover the cost of the book. Also they sponsored a Yearbook Dance at the last of the year.

We the staff members hope that you enjoy the book and that you think it is the best book ever.

The "Cats Paw" Staff showed their pride during the 1982-83 school year. The staff consisted of 11 members and they were under the leadership of **Jim Hinsdale**.

The staff published several editions of the school newspaper. "Cats Paw" stressed special events as well as all the sports events. At GCHS "Cats Paw" also provided pictures for the yearbook staff, for which we are grateful.

Hats off to the "Cat's Paw" Staff for a job well done.

The Administration and Faculty at GCHS represent the intelligence of the Cat. The Administration works throughout the summer to prepare for a successful school year.

The 1952-53 school year saw 2 new board members elected. Mr. David Morris representing Warsaw and Mr. Carl Wayne Brown representing Lower Warsaw. Cat's Pride would like to express its best wishes to these gentlemen for a successful term on the board and its gratitude to them for taking an interest in the education of the community's children. Also thanks should be given to retiring board members Mr. Ken Herndon and Mr. Gordon Furnish for their involvement during their years as members of the Board of Education.

The faculty this year spent a very busy year teaching their students and adapting to the many changes which had occurred over the summer months. Not only were the teachers responsible for the academic growth of the individual student but also for the development of each cat's personality. Faculty members also took time out to coach sports, sponsor various activities and even play a little basketball of their own.

Life at GCHS would certainly not run as smoothly as it does without the efforts of the various non-certificated personnel employed by the school system. All of these individuals together help to keep the school system in working order. Cat's Pride would like to express its gratitude to all those who made this year a successful one.

Administration Plans for a Better Year.

Varsity Improves With Youth

With returning coach Wayne Scudder, the Boys' Varsity Basketball team didn't finish Superstars, but the young men that started this season were ready, willing, and able. This year the team's two main problems, were, the lack of experience playing varsity ball and the youth on the team. The only senior on the squad was David Nichols who set a good example for the others on the team. His leadership will help the rest who return next year

Although the team ended with a 9-18 record, many of these losses were extremely close. Many old rivalries were rekindled with neighboring schools and while not always victorious the Wildcats proved to be competitive fighters and made the fans proud of their efforts. With four returning experienced seniors, Coach Scudder looks forward to a winning season next year

Lady Cats End Season With Winning Record

The Lady Cats opened a season that proved to be another exciting and challenging year with Jim Hindsdale as coach for the third year and Dorothy Perkins as assistant coach. The team consisted of six returning players — three of whom were seniors — combined with three talented underclassmen. Thus, there was a good combination of experience and fresh talent.

This year brought about an up and down season with some unexpected wins and disappointing losses. Wildcat fans saw plenty of action with many of the games being settled by just a few baskets. The Lady Wildcats finished this year's basketball season with a very respectable 16-12 record.

Boy's J.V. Experiences Disappointing Year

J.V. Boys' Basketball team consisted of many unexperienced young players. Their first victorious game was against S.C.P.A. during Homecoming. They struggled and worked very hard to end up with their next victory against Owen County. The J.V. Boys although they didn't have too many wins, kept their heads up and tried their best during District against Trimble County. By halftime J.V. Boys were ahead 20 to 19. But in third quarter their luck began to fall and they fell behind by 10 points. As the fourth quarter passed by, they ended up losing 42 to 46. Coach Obertate believed they played a good hard game anyway. The J.V. players all plan to come back next year ready to play.

J. V. Gains Valuable Experience

This year our Junior Varsity Basketball team had a record of 5 wins and 12 losses. This was due to the fact that the team lacked someone with the ability to play guard position for the first half of the season. The girls who played these positions were out due to sickness. After their return the Wildcats finished the season playing very well. Throughout the year the team worked hard and did well even though they had no experienced guards. By putting forth their best efforts the girls proved to us that they were really proud to be Wildcats. During the entire season the girls played good defense in every game. The team is made up of young girls this year who didn't have that much experience. Some of the girls may make the varsity team next year. One thing for sure, all of the girls are looking forward to next year.

Freshmen Experience Disappointing Season

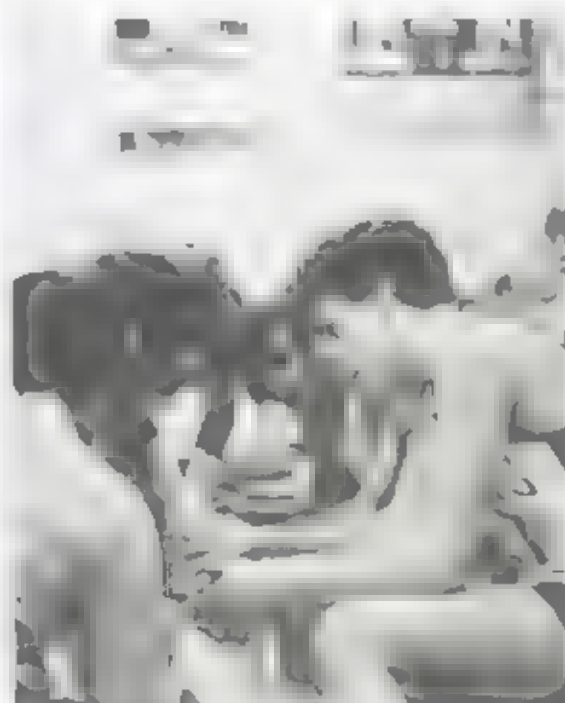

This year at GCHS the Freshmen Basketball Team was very active, their final record being 5-12. Steve Obertate coached these 11 young men. He tried to teach the basic fundamentals to better these young men and to prepare them for varsity ball. Even though the boys were disappointed several times by losing games they could have won, they kept their hopes along with their goals very high. All of the boys are looking forward to making the J.V. team next year.

Eighth Grade Breaks Even Over Season

The eighth grade season was marked by sparkling good performances and dismal failures. Coach Wright saw immense improvement in the boys' abilities throughout the season. Teamwork seemed to be the key to the success experienced by the team over the season. They ended the season with a 5-5 record. All of the young people, are looking forward to entering high school and taking part in the athletic program.

Seventh Graders Gain Year of Valuable Experience

The 1982-1983 ball season proved to be a period of valuable learning experience for the seventh graders. This is the first time that many of these youngsters had been able to take part in a competitive basketball program. Even though they ended the season with a 5-9 record, ball players and cheerleaders alike showed pride in being a Wildcat all season long. Cats' Pride looks forward to seeing these young people compete again next year

1983 Golf Team Swings Into Action

This year's golf team was very young but despite its youth did very well. The boys competed in 19 matches and won 13 of them. They played their home matches at the Fairway Golf Course in Wheatley, Kentucky. The team knew this course hole by hole and did rather well, winning all but two matches they played there. When the regional tournament at Boone Cure Golf Course came around, the boys were ready to play. Although the boys started out doing well, delays caused by weather stretched the tournament over a five day period. When the tournament finally ended, G.C. boys ranked 13th. During the Athletic Banquet, Coach **Barry Baker** presented **Todd Baker** with the **Low Medal Award**.

Girls Defeat #1 Rival: Pendleton Co.

This year's softball team was coached by **Melodie Bennett**. The weather proved to be the team's greatest rival since many games were cancelled and could not be rescheduled. Regardless, the team ended with a 3-3 record, after losing in the District Tournament to Connor. During the Athletic banquet held in May, **Coach Bennett** gave out three awards

MVP — Linda Lewis
Best Defensive Player — Tammy Littrell
Best Batting Average — Denise Chipman

All team members are looking forward to next year with hopes of a better season.

Freshmen Represent Cats in Regional Tournament

The 1983 edition of the Gallatin County girls' Tennis Team has enjoyed a year of expansion and growing enthusiasm for this popular sport.

This year the team consisted of twelve members, four of which were seniors. The team was led by Freshmen **Jodie Zalla** and **Beth Bledsoe**. Other members of the team exhibited tremendous courage and determination throughout the season. **Coach Perkins** says she thinks they will continue to improve and represent Gallatin County well in the years to come.

Freshmen **Jodie Zalla** and **Beth Bledsoe** represented Gallatin Co. in the singles division at the Regional Tennis Tournament at Northern Ky. State University. **Sheila Buchanan**, **Vawn Keeton**, **Alice Burk** and **Dana Baker** played in the doubles matches. **Coach Perkins** said that she has enjoyed working with this group of girls and she looks forward to working with them again next year.

At the Athletic Awards Banquet held in May **Coach Perkins** presented **Jodie Zalla** with an award for **No. 1 Singles**. Congratulations Jodie.

The Season That Almost Wasn't

This year there was a big question over whether there would be a baseball team or not, due to the fact that there was no coach hired for the position. Finally Coach Scudder volunteered to coach the boys with the help of Coach Oberate. A total of 48 boys tried out for the team this year, but unfortunately only 32 boys could be on the team's roster.

The Varsity team ended the season with a 5-12 record. Many games had to be cancelled due to weather conditions and could not be rescheduled. Although the statistics do not seem impressive, many losses were close decisions showing the competitiveness of our Wildcats. The 1983 season came to a close when the Wildcats were defeated by the Carroll County Panthers in the District Tournament.

The Junior Varsity team was really hurt by weather conditions since many of their games were cancelled and not rescheduled. For them, the 1983 season was one of learning strategy, and gaining valuable experience. The returning players from both teams are looking forward to next year with a great deal of optimism, hoping for a better season.

“Cat’s Pride” Salutes Senior Athletes

There are many facets that combine to develop the young into mature adults. It is the job of any educational system to provide means to aid in the development of a well-rounded individual. Although school systems emphasize the education of the student's minds the school's athletic programs give each student an opportunity to grow in the competitiveness and in physical development.

Although our school athletic programs do not bring home regional, district or state titles, “Cat’s Pride” would like to express its appreciation to these seniors for their time and effort in representing Gallatin County High School in their individual sports.

Heart

S. HENNING

The Cat's development would not be complete without the emotional growth which is represented by the Cat's Heart. The many special events which occur throughout the year, add to the growth of the individual outside of the classroom and the sport's arena. Through these many very special activities we continue to show that we are proud to be called "G.C. Wildcats."

Homecoming 1983 sponsored by the Student Council took place on Saturday November 28th. A week filled with different activities preceded the game Saturday evening between the Gallatin County Wildcats and the Cincinnati S.C.P.A. Raiders. All activities, as well as posters and floats revolved around this year's theme of, "Movie Titles." Spirit Week included several dress-up days as well as a pep rally and a faculty basketball game against the State Troopers. The parade was held Saturday afternoon and was a huge success with many organizations and community groups taking part. During half time of the Varsity Ball game, **Emma Brinkman** was crowned the 1983 Homecoming Queen. Immediately following the game, there was a dance also sponsored by the Student Council.

This year, the Seniors performed a three act comedy mystery play entitled "Finders Creepers" which was written by Donald Payton. The play centered around the strange events which occur in the Nelson Mortuary. Hercules Nelson and Wilbur Wright visit Herc's aunt and uncle for the weekend. What the two boys don't know is that Mr. Nelson is the town's mortician. Neither boy likes the idea of sleeping in a mortuary with dead bodies lying around, but when Wilbur sees Herc's cousin Celeste he talks Herc into staying. On top of everything else, Mr. Nelson finds himself involved with the attempted murder of Mr. Quigley and his plot to trick the murderer into revealing his identity. After many close calls, "Detective" Hercules and Wilbur with Granny's and Frankie's help solve the mystery. By the end of the play many mysteries are solved and two romances are discovered. Everyone enjoyed the fun and the cast did a great job of portraying their individual characters. "Cats Pride" congratulates the cast of "Finders Creepers" for giving us a truly enjoyable evening.

Why the title "**Cat's Pride**? The staff chose this theme for the 1982 83 yearbook in order to rekindle a spirit of pride in ourselves and our school. We have grown tired of hearing Gallatin County being put-down not only by outsiders but also by those within our school system. Through this book we hope to have caught some of the moments and people of which we are proud. We are the Wildcats, and like that strong animal we should be proud of our own individual strengths. We should also be proud of all the many different facets in our school system which work together to develop each individual student that passes through the halls of Gallatin County. We are not perfect. There are many conditions that could be bettered but if one looked, really looked, — the good qualities would out-weigh the bad. Everyone wants the finer aspects and the betterment of our school system, but in order to gain this — we must first accept ourselves as we are and be proud of be called Gallatin County Wilcats

To the people of Gallatin County High School.

This year our yearbook staff worked hard in putting "Cat's Pride" together. Loyal staff members worked endless hours during and after school to give you a yearbook of which you would be proud. In completing the book we have received help and encouragement from several different sources. We would like to express our thanks and appreciation to all those without whose help the yearbook would not have been completed.

Thanks to Mr. Hinsdale and his photography class for the many pictures they supplied us. Special thanks to photographers Maria Roos and Kelly Clifton who worked overtime getting us photographs.

Thanks to Mr. Prewitt and all of the faculty and administration who found the patience to work around hectic situations involving yearbook activities. Also thanks to students and community members who gave us financial and moral support.

Thanks to Rick and Harry Rivard who in our work guided us in putting the yearbook together and in improving the cover of the book this year. Special thanks to Osborne studios who supplied the many uncaptioned photos found in our book.

A special thanks goes to Mr. J. M. for all those times he got us out of tight spots with his brilliant layout ideas.

An additional very special thanks to our sponsor, Mrs. K. Long. For the time and effort, she spent and gave us so we could know what we were doing. Without her help, we could not have done it.

- 1 Eighth Grade Cheerleader **Jackie Wilson** is prepared to cheer her team on to victory.
- 2 Graduating Seniors **Linda Lewis** and **Brian Noel** appear solemn faced as they are introduced at Class Night.
- 3 Smiling students leave GCHS for the day.
